

JSP F622 FFP2V

Respiratory Protection

Protection against dust, fine particles, and airborne contaminants

Protective Safety

EN 149:2001

Why choose our JSP F622 FFP2V?

- ✓ FFP2-certified protection ensures filtering harmful dusts and particles
- ✓ Fold-flat vertical design allows easy storage and convenient portability
- ✓ Exhalation valve for comfort reduces heat build-up during longer wear
- ✓ Adjustable straps provide a secure and customized fit for users
- ✓ Secure nose clip enhances sealing and minimizes leakage around the nose
- ✓ Lightweight and breathable material increases comfort for extended use
