

ALCOLIZER LE5, HH3, HH4 MOUTHPICE

Detection System

Hygienic, individually wrapped recyclable
mouthpieces for alcolizer models

Protective Safety

Why choose our ALCOLIZER LE5, HH3, HH4 MOUTHPICE?

- ✓ Each mouthpiece is hygienically and individually wrapped
- ✓ Eco-Friendly Design: All mouthpieces are fully recyclable after use
- ✓ Features a standard spigot locator for secure attachment
- ✓ Works with Alcolizer HH3, HH4, and LE5 testers
- ✓ Recyclable Packaging: Wrapping and mouthpiece can enter plastic recycling systems
