EAR DIELECTRIC MUFFS K200

Ear Protection

Dielectric ear muffs with EN 352-1
noise protection

Protective Safety

EN-352-1

Why choose our EAR DIELECTRIC MUFFS K200?

- ✓ Dielectric Design – Non-conductive for electrical and high-voltage work
- ✓ High Noise Protection – Ideal for industrial and construction environments
- ✓ Soft Ear Cushions – Provides superior comfort during extended wear
- ✓ Adjustable Headband – Ensures secure, personalized fit
- ✓ Durable Construction – Built for demanding work conditions
